

## The Month of Community Partner Comms sheet

The Month of Community is a time when we come together to celebrate everything that makes our communities great. It's an opportunity to bring our neighbourhoods closer, give back, and shine a light on the amazing communities we live in.

June will see a month of community events and celebrations across the UK, as we get together to share friendship, have fun and support a variety of charities and causes.

Last year, over 15 million people took part in the first ever Month of Community, and this year it's going to be even bigger and better. Jam-packed with brilliant causes, this June will see millions get together with their neighbours for The Big Lunch (2-5 June), with the fun continuing during Volunteers' Week (1-7 June), Loneliness Awareness Week (June 13-17) and beyond, as many more charities get involved.

So don't miss out, join in this June - whether you want to say cheers to volunteers, connect with your neighbours, support a cause you care about, or simply to say thank you, it's all part of the Month of Community!
