BETTER TOGETHER

The Big Jubilee Lunch is the perfect opportunity to bring people together to celebrate HM The Queen's Platinum Jubilee weekend on 2-5 June 2022.

Everyone has something they can bring to the table, so anything you might need is likely to be right on your doorstep – plus inside your pack, you'll find tips and ideas that make taking part a piece of cake!

Just like our communities, every Big Jubilee Lunch will be a little bit different – it could be a small gathering in a garden, park or driveway, or a larger party with trestle tables down the street. However you decide to do yours, The Big Jubilee Lunch is simply about sharing friendship, food and fun with your neighbours and local community – thank you for joining in!

THE BIG LUNCH IS AN IDEA FROM THE EDEN PROJECT, MADE POSSIBLE BY THE NATIONAL LOTTERY.

At Eden Project Communities we love bringing people together to share, connect with others, and have fun. Alongside The Big Lunch every June, we support an active network of people just like you who want to make good things happen where they live. If hosting a Big Jubilee Lunch has given you a taste for doing more in your community, connect with us and like-minded folk for support, ideas and events.

The National Lottery Community Fund is the largest funder of community activity in the UK – we support people and communities to prosper and thrive. We're proud to award money raised by National Lottery players to communities across England, Scotland, Wales and Northern Ireland. National Lottery players raise over £30 million each week for good causes throughout the UK. Since The National Lottery began in 1994, £43 billion has been raised for good causes with funding used to support over 635,000 projects – 255 projects per postcode area.

We're passionate about funding great ideas that matter to communities and make a difference to people's lives and we're delighted to support the work of Eden Project Communities.
