HOW TO MAKE A PAPER FLAG

YOU WILL NEED:

CREATIVE SUPPLIES
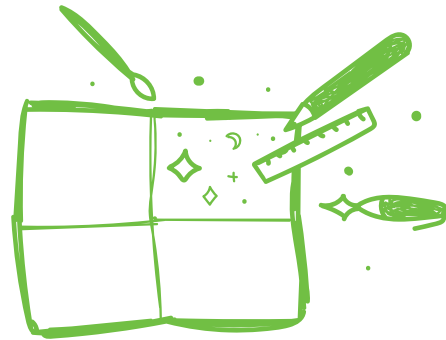

STICKY TAPE

PAPER

SCISSORS

A3 OR A4

1
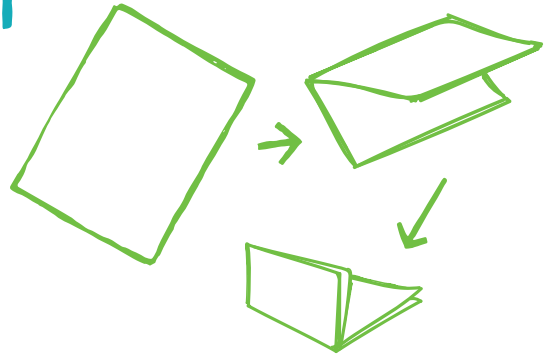

Fold your paper in half, then half again.

2

Unfold paper to reveal four rectangles.

3

Decorate the top right rectangle – this is your flag!

4

Use scissors to cut out the bottom right rectangle.

5

From left to right, roll the two left rectangles as tight as you can, then fasten with tape.
