

# TUCK IN AND TALK!

## COMMON GROUND

Do you all have the same favourite flower, have you read the same book, or love the same film?

Start with one person sharing a statement, everybody else raises their hand or stands up if it's true for them too. Carry on to see how many things you have in common - can you get to 10?

## ALPHABET APPETITE

Can you think of a food for every letter of the alphabet?

Choose a person to start with the letter A, pass on to the next for letter B, keep going through the alphabet and see how far you can all get!

# TUCK IN AND TALK!

## WHO'S COMING TO LUNCH?

Begin with someone saying 'I'm going to The Big Lunch and I'm bringing Sam, they make the best sandwiches!'

Each player adds a new person in turn and repeats all the previous people too (include reasons for more of a challenge). Friends, family or someone famous - it's up to you.

## THE BIG DECISION

Do people prefer spring or summer, sport or science, pizza or pineapple? What's worse: eating sprouts or singing in public?

One person offers two options and everyone else must pick between them. They could be themed, funny..., odd or outrageous!

## THE LAST BITE

Create a chain - each players word starts with the last letter of the previous player's word.

For example 'sandwich' can lead to 'halloumi', which can lead to 'ice cream', and so on.
